RED CROSS NEEDS FUNDS FOR PROMPT PREPARATION WORK

[By Latest Mail] WASHINGTON.—The executive committee of the Red Cross Society has issued this statement to the American people.

In view of the Mexican situation and the duties and responsibilities that may devolve upon the American Red Cross, the people of the United States are hereby informed that the Red Cross is prepared for whatever service the Government may require of it as the society created by Congress to furnish volunteer aid to the sick and wounded of armies in time of war and to serve as a medium of communication between the people of the United States and their Army and Navy.

"Immediate preparations for fulfilling these duties are imperative. The war relief board meets Thursday to adopt a plan of action. This will involve heavy expenditures, and the Red Cross relies upon the public for general contributions to enable it to meet these demands. Contributions may be sent to local or state treasurers or to the Red Cross, Washington.
